

## NORDP Conference Roundtable Summary

---

With multiple roundtables happening concurrently, NORDP attendees have to choose, and may miss out on a topic that is of interest to them, as well.

The purpose of this document is to provide a brief review of the highlights of the oral presentation you're attending. Please answer the questions below and return this completed form to the Registration Desk at your convenience. NORDP bloggers will post your summary at [nordpnews.org](http://nordpnews.org) for all conference attendees to view.

Please don't worry about eloquence. The blog team will edit for grammar and brevity as needed. You may also keep it brief – a typical blog post is about 300 words. You may use the back of the page for your responses, as well.
