

The George Washington University (GW) Research Enhancement Unit (REU) **seeks to engage research development professionals on a contract basis** to work with investigators on large and small sponsored project proposals.

Under the leadership of Director Sponsored Projects and Research Enhancement, Shandra White, and in tandem with the university's ten colleges and schools and nearly 100 research institutes and centers, REU provides faculty with guidance and training to successfully apply for research funding. REU provides personalized support to individuals and training to small groups of researchers.

Required Services:

- Review of Funding Opportunity (RFA, RFP, FOA)
- Provide guidance and feedback on readiness, responsiveness
- Management of proposal process for proposals to meet required deadlines
- Proposal review (responsiveness, style)
- Proposal editing (writing style, cohesion, grant packaging)
- Serve on GW Review Panels

Areas of expertise:

- Science, Technology, Engineering, Math and Medicine
- Cybersecurity
- Education and Training
- Environment
- Medicine and Health Sciences (i.e. Autism, Cancer)
- Health, Global Health, and Health Policy
- Humanities
- Virtual Reality, Augmented Reality and Artificial Intelligence
- Gender
- International Funding
- Federal Sponsors
- Strategic Private and Foundation Funding

GW is the largest institution of higher education in the District of Columbia, and is committed to increasing research capacity, productivity, and accomplishments throughout the university. With an enrollment exceeding 20,000 students studying in its ten undergraduate and graduate schools, and Ph.D. programs, GW maintains three campuses including the Foggy Bottom and Mount Vernon campuses in Washington, DC, and the GW Virginia Science and Technology Campus in Ashburn, VA—as well as several graduate education centers in the metropolitan area and Hampton Roads, VA.

Residence in the District of Columbia or DC metropolitan area is not required. Please send your letter of interest and resume to reshelp@gwu.edu and include “REURP” in the subject line.
